

CREW STAND

RAFAEL RODRÍGUEZ

If our game tables are miniature stadiums, Crew is the vantage point from which to watch the match and cheer on the team. A piece conceived for observing. An open seat for connection. A two-tiered multipurpose system that creates perspective and shapes conversation. Light in appearance; solid in essence. Its framework draws the line, defining balance while comfortably seating up to eight people. Crew moves effortlessly from one space to another, offering the functionality and flexibility that workspaces and shared areas require. It composes, shifts, and reconfigures. No anchors. No limits. A living installation, evolving with the scene and the team.

Si nuestras mesas de juego son miniestadios deportivos, Crew es el lugar desde donde ver el partido y animar al equipo. Una pieza concebida para observar y participar. Un asiento abierto al encuentro. Una pieza multiusos en dos alturas que genera perspectiva y ordena la conversación. Ligera en apariencia; sólida en esencia. Su esqueleto define proporción y equilibrio acomodando hasta a ocho personas. Crew se mueve fácilmente de un espacio a otro para aportar la funcionalidad y flexibilidad que requieren los entornos de trabajo y espacios comunes. Se compone, se desplaza, se reconfigura. Sin anclajes. Sin límites. Una instalación viva que evoluciona con el escenario y el equipo.
