

RS STATIONARY PING-PONG TABLE

RAFAEL RODRÍGUEZ

The RS Stationary ping-pong table has real character. Its lines trace the essence of solidity and strength; its aluminum surface provides the endurance needed for the most intense games; and its wooden legs add the noble spirit of an all-terrain piece, inviting us to play without limits. The open sky is its natural habitat. Outdoors, it gives its all and blends seamlessly into any of the 15 shades of its color palette. From the timeless elegance of black and white to the organic warmth of terracotta and the serene touch of sage green, it infuses every match with color, energy, and vitality.

RS Stationary es una mesa de ping-pong con mucho carácter. Sus líneas dibujan su robustez y su firmeza; su superficie en aluminio le confiere la resistencia para los duelos más intensos; y sus patas de madera aportan la nobleza de un todoterreno que nos invita a jugar sin reservas. Tiene alma de exterior. El cielo abierto es su hábitat natural, donde lo da todo y se funde con naturalidad en cualquiera de las 15 tonalidades de su paleta cromática. Desde la elegancia atemporal del blanco y el negro, hasta la calidez orgánica del terracota y la serenidad del verde salvia, impregnando de color y vitalidad cada partida.
